**FIRST-TIER TRIBUNAL
GENERAL REGULATORY CHAMBER
(CHARITY)**

ICRI Limited

Applicant

- and -

**CHARITY COMMISSION FOR
ENGLAND AND WALES**

Respondent

**Judge Alison McKenna
Sitting in Chambers on 23 January 2019**

RULING ON STANDING

1. The Applicant is to be the Appellant in this appeal as it is a person who is or may be affected by the Charity Commission's Order.

REASONS

2. This appeal concerns the Charity Commission's decision of 18 October 2018 not to discharge a protective order made in relation to the Enfield Island Village Charity. I am grateful to the Charity Commission for confirming that property of the Charity is held in the bank accounts of the Applicant and that it

accepts the Applicant has standing to bring the appeal. I am satisfied that the Applicant is therefore properly to be regarded as an Appellant. I would be grateful if the parties could confirm whether the Enfield Island Village Charity wishes to be joined as a party.

3. The Charity Commission is to respond to the appeal and the parties are invited to agree directions for a hearing in the usual way.

Signed

**Alison McKenna
Chamber President**
