---

DIRECTIONS

---

1. The Tribunal received a Notice of Appeal on 06 September 2021.
2. The Notice of Appeal is 10 days late and the Appellant explains that the organisation has made representations to the Commission and was awaiting a response and in that the period to appeal had expired.
3. I consider this a breach of the Tribunal Rules. However, I do not consider it a serious breach. In the circumstances I consider it fair and just to grant an extension in accordance with Rule 5(3)(a), The Tribunal Procedure (First-tier Tribunal) (General Regulatory Chamber) Rules 2009.

**IT IS NOW DIRECTED AS FOLLOWS:**

4. I retrospectively extend the date to lodge an appeal to this Tribunal to 06 September 2021.
